

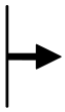
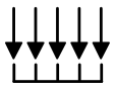
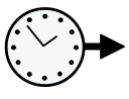
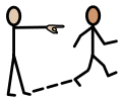
Google Classroom is set up for all students to access learning

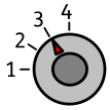




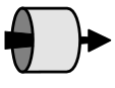
from home for all subjects.

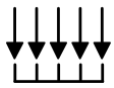




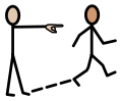


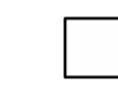
During periods of school closure, teachers will send and set





your work through Google Classroom. All your work will





be sent to you this way rather than by email.

It has several benefits for you:

Created in WidgitOnline.com for Rumworth School
Widgit Symbols © Widgit Software Ltd 2002 - 2024

- You only have to look in one place for your work

- You can communicate directly with each of your teachers

- Your teacher can mark + return the work you

complete with help + advice

- Your teacher can share resources, set up quizzes +

tasks for you

- It gives you access to Google's versions of Word (Google

Docs), Powerpoint (Google Slides) + Excel (Google Sheets)...all for

free!
